Basic Brochure Design Guidelines

4x9 Brochure, front side

4x9 Brochure, reverse side

- 1 Allow approximately 1 3/4" at the top to show your attraction/event name and/or city. This will help tourists to identify your brochure quickly after it is placed in the Welcome Center rack.
- 2 The cover photo can either be boxed (as shown) or bleed (photo runs all the way to the edges of the brochure).
- 3 Approximately 1 1/2" at the bottom might be used for a brief and concise piece of descriptive copy, if desired. Examples: "Birthplace of Helen Keller" ... "Peanut Capital of the World" ... "A Garden for All Seasons" ... etc.
- 4 Sometimes a tourist may return your brochure to the rack but place it backwards. Or, it might be left face-down on a table. Reserve the top 1" of the reverse side to repeat your attraction/event name and/or city.
- 5 For the body of the reverse side, use a montage of colorful photos and interesting editorial copy. You can also add a small map to help tourists find you easily. Incorporate the nearest major highways into your map design if possible.
- 6 Include your address, phone number, website and email so tourists know how to contact you. Show the days you are open. Use the Alabama logo which can be obtained from ATD. List the Alabama tourism website below the logo: www.Alabama.travel. Show the month/year the brochure was printed, how many were printed, and the words, "Printed in USA."

layout, identified and described. See sample brochure layout at our website www.alabama.travel.

- 8) The Alabama Tourism Department is to be given a minimum of one-fourth of the brochures for distribution.
- 9) Special event brochures should be furnished to the Alabama Tourism Department at least four (4) weeks prior to the date of the event. Deliveries of brochures to the Alabama Tourism Department less than four (4) weeks prior to the event date are not assured timely distribution.
- 10) Brochures funded under this program are for free distribution and not for sale. Failure to comply may result in revocation of the grant and/or disqualification of future grant consideration.
